I'll swallow YOU and ONLY YOU

Bisexual, Heterosexual, what is your position?

I think that I'm straight, but guys like to see me kissing other girls, so when the occasion is set I have no problems with it

What is your ideal size?

I think that depends a lot on how lubricated I am at that time. Anal sex I need to keep exploring because I still find it pretty much uncomfortable

What about publishing our video? do you think that many will jerk by seeing you?

It makes me horny when I think about that

Are you going to show your boyfriend the video?

Of course I will

Your first threesome was...

When I was 15 years old

Swallow or Spit ?

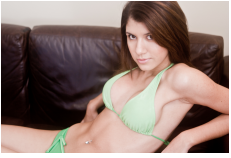

I'll swallow YOU and ONLY YOU

What's your favorite place in town ?

I'm not very familiar to the city yet, but Puerto Madero is one of my favorite neighborhoods. I like to go to the theatre and some nightclubs like Lacigale in downtown on Wednesdays
